Students must complete the following lower-level courses (or their approved transfer credit equivalents) with a grade of "C" or higher in each course before registering for any upper level course in the business curriculum: ENG 1101/03, ENG 1102/04, MTH 2201, IS 2241, ACT 2291, ACT 2292, ECO 2251, ECO 2252, QM 2241, LAW 2221, and all 2000-level courses in the major and minor. Students are allowed a maximum of three attempts at completing each of these courses with a grade of "C" or higher. After the third unsuccessful attempt they are dropped from consideration for the upper-level Business Program. Students may enroll concurrently in the last of these courses along with their initial 3000-level courses (MGT 3300 and MKT 3300 only) subject to their adviser's approval and consistent with published prerequisite requirements.

Students entering Troy University with an interest in business (as freshmen or sophomores) will be enrolled as General Business student (GBUS) with a major/concentration declared. A major advisor will be assigned to each student. GBUS majors will not be allowed to enroll in business courses above the 3300-level until they meet entrance requirements. Students must complete the first 66 hours (all general studies courses and the entire 2000-level business courses, and MGT 3300 and MKT 3300 (formerly MGT 3371 and MKT 3361) with a 2.0 GPA (2.3 GPA for accounting majors) before applying for and being allowed to enter the upper-level Business Program.

GBUS students must request a program evaluation from assigned advisor after completion of 45 hours to ensure they are on track to apply for entry into the Upper Division Business courses

on schedule.

Upon completion of the last course of the 66-hour requirement, and with a GPA of 2.0 (2.3 for accounting majors), students may enroll in upper division courses with their advisor approval. The student will be enrolled in (up to 18 hours) FIN 3331, QM 3345, IS 3310, BUS 3382 or ACT 3391 (for accounting majors only). Students are also required to take one-hour Innovative Practices/Thought Issues course and take a GBUS core exam and other appropriate courses for their particular concentration/major. If a student is taking courses on a term basis then these courses would be completed over two consecutive terms. Students who do not meet the Business Program requirements will be denied entry until those requirements are met.

Students in their last term of completing the 66 hour requirement and have less than 15 hours (or less than 6 hours if on terms) remaining to meet the 66 hour requirement should contact the department of the major of interest. The Department Head/designate may approve the student to register for up to an additional twelve hours (if on a semester; two courses if on terms) and the one-hour Innovative Practices/Thought class of the courses listed above so they may qualify for full-time student status. However, they must meet the GPA requirement and have obtained "C" in those 1000/2000 level courses already taken and that are listed in paragraph one; otherwise they will not be allowed to register for the additional upper level courses. Students who do not complete the final course(s) with a passing grade and a GPA of at least a 2.0 (2.3 for accounting majors), will not be allowed to take any more upper division level courses until they meet the standards.

Admission as a Transfer Student-Transfer credit will not be awarded for any course to be used in the business core or major in which a "C" grade or higher has not been achieved.

Transfer credits acceptable for admission purposes shall be evaluated to determine their suitability for degree credit in the Sorrell College of Business Administration. The Dean of the College will make the final decision concerning transfer credit allowable within the curricula.

The thirty-one hours taken must be in Business courses and would not include any General Study courses taught by the Sorrell College of Business (e.g., ECO 2251, ECO 2252, and IS 2241). Transfer credit will not be allowed for any courses where assessments for accreditation purposes are being conducted. Courses not allowed to transfer for courses where assessments are being conducted may be considered for SCOB elective courses.

Students transferring from AACSB accredited schools or an appropriately accredited International institution must follow the same requirements listed above. Students who have completed the first 66 hours and have the required GPA will be assigned a major, an advisor, and will enroll in FIN 3331, QM 3345, IS 3310, BUS 3382, or ACT 3391 (for accounting majors only), and other courses appropriate to their major (12-18 hours). Please note other than for MGT 3300 and MKT 3300, 1000-2000-level courses generally do not transfer for 3000-level courses.

Only those 1000-2000-level courses from AACSB accredited schools will be considered and evaluated for above 3300 Troy University level credit on a case-by-case basis. Students transferring from all other regionally accredited schools must have at least a 2.0 GPA (2.3 for accounting majors). Students who have not completed all 66-hours of the GBUS program, will not be allowed
