

MISSION STATEMENT

The Sorrell College of Business (SCOB) prepares a diverse student body, drawn primarily from Alabama and surrounding states, to become successful, ethical and engaged business professionals with the knowledge to compete in the global business environment.

To achieve this our faculty, staff, and administration will:

*Provide quality undergraduate and graduate education in global business through high-quality **teaching**;*

*Serve the university and **engage** with business and professional communities in our primary service area through individual involvement and our centers for research and outreach;*

*Grow and enhance the longstanding “culture of **caring**” for our traditional, nontraditional, military, and international students;*

GPA and Grade Requirements: Lower-level Business Program

This section outlines the degree requirements for all B.S.B.A. students in all majors and concentrations. Specialized program requirements for each of the majors and concentrations within the B.S.B.A. degree are listed in separate sections on the following pages. Students need to consult both this section and the section for their major/concentration when planning their course of study.

For more information on general requirements for all Troy University baccalaureate degrees, see the index listings for baccalaureate degree parameters, general studies, and academic regulations.

Transition to Upper-level Courses
