

but i'll let you go
because it's the right thing,

*(i can't, love—
i really can't)*

but i hope you knew
that it wasn't a simple infatuation—
i was truly in love
and i was grateful.

i loved you

(i still do)

i loved you

*(cliché,
cliché,
cliché)*

i love you

(don't walk away)

goodbye,

goodbye.

*(beep,
beep,
beep,
beep...)*
