~~My dear Mrs. Williams~~

I was the happiest

master in point of time

for the past of my letters

from our children

and we

shots of the

was so glad to see

sidley. But that

Joyce said she had been

sick with her throat

and was

the weather is so much better
Hed. B. ...
little ...
happy ...
be ...
happy ...
well & do hope you
cold is better, by ...
of your ...
of it ...
relying ...

like ...
each ...
got ...
spring ...
from ...
look ...
don't ...
liberty ...
steward ...

is still suffering with
his feet & is staying up
and gaining a little strength

Bess is getting better
she has had some
but not at all well,
ask me to give you her
love & know that

give them all my love
tell Willie & we will
to have a picture of
Ardinghly
