Dear Mr. [unclear],  
This is a memorial  
and I have just come back  
from Church where we had  
a Memorial Service.

All those who gave their  
lives in [unclear] or  
elsewhere will be honored  
to-day and to-morrow by  
members of the [unclear] of  
General [unclear] at one  
of the [unclear] and [unclear]  
officers and men in [unclear]  
[unclear]

well we had quit  
of it or not this evening in the

Keyton family

It seems Jack's new  
matil, second girl, took  
him out to see this

before we got up the door

out into the dining room she

told me Jack was

floor she is in a

but in vain

to go down to

on business so I checked for

Chambers, quite before

heard to

calling Matilda and about that  
is on the street, only she  
in form, I find we  
the young man of chair.

It was church time by then  
I went by the  
told her and then walked in  
Church late as a result of my  
puppy. How was she  
told him (part) that  
he would help him and sit  
him then he wouldn't  
so hard to take care of.
